

## **Experienced Property Loss Adjusters – Nationally – Flexible Working**

Due to our continued expansion we are recruiting experienced, career focused Loss Adjusters, who are looking for flexible working arrangements due to family commitments.

### **The Company**

AED Adjusting are an established, National, independent firm of Chartered Loss Adjusters, who provide a unique blend of claims solutions to our Clients in the Commercial/ Domestic, Mid/High Net Worth and Equine Markets. We are a thriving and successful Practice combining traditional values with innovative IT.

### **The Roles**

Working under our Head Office auspices, you will investigate, validate, negotiate and settle a variety of Commercial and Domestic insurance claims in the Mid/ High Net Worth sectors and in accordance with our Service Standards and Clients Requirements, at all times providing a quality, customer focused service.

You will:

- Have a minimum ACII with accompanying Loss Adjusting experience
- Be able to work autonomously and meet challenging targets and deadlines
- Be a team player able to adapt to a new environment
- Be an excellent communicator with superior written and verbal skills
- Be fully computer literate with a working knowledge of MS Word, Outlook and Excel as a minimum
- Have an exemplary commitment to customer service
- Be able to multi-task

This is an ideal opportunity for career focused Loss Adjusters seeking flexibility, who possess the enthusiasm, ability and the highest level of personal presentation, to join our committed Team.

### **The Package**

We offer a very pleasant working environment, a competitive salary, Company Car Allowance, other fringe benefits and flexible working arrangements, Monday to Friday inclusive.

If you are looking for a new challenge or a return to your career of choice and believe you can contribute to the ongoing success of our organisation, please apply, enclosing a full CV, with details of your current remuneration package in writing to:
